

## How to install and license PerfectStitch

1. Download the PerfectStitch Setup file via:  
<http://www.imageaccess.de/?page=SoftwarePerfectStitch&lang=en>

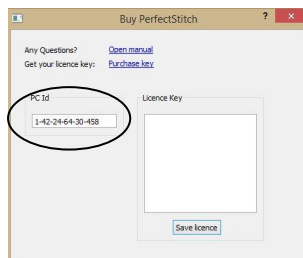

2. Install PerfectStitch; when the installation is completed, click [Close]

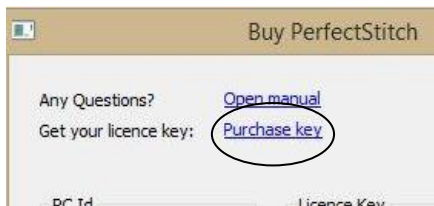

3. Please start PerfectStitch

4. The upper right hand corner of PerfectStitch shows the button [Help] Please click [Help] and choose "Buy Full Version"

5. Copy the displayed "PC Id".

6. To license PerfectStitch please keep the PerfectStitch software open and follow the above displayed link

7. In case there is a Scan2Net scanner available please fill in the serial no. of the unit. In case you will use the PerfectStitch software without Scan2Net scanner, please click "Continue without serial number".

Please choose whether you will license the Perfect Stitch Software based on a scanner serial no. or without purchased scanner. (Information: There will be a pricing difference if the software is used without Scan2Net scanner).
